The Mitsubishi Eclipse is a sport compact car that was produced by Mitsubishi in four generations between 1989 and 2011. A convertible body style was added during the 1996 model year.. The first two generations (1G and 2G) share the automobile platform and parts with the rebadged Eagle Talon and Plymouth Laser captive imports.They were built during Mitsubishi Motors' close relationship with ...An unexpected star of the 2018 Motor Show, the all all-new B-Class minivan brings sharper styling than its bland predecessor, with a more coupe-like roofline, shorter overhangs and a longer wheelbase. We took the opportunity to drive the BMW 2-Series rival in Spain ahead of its Australian launch to see if performance matches its new-found dynamic look.hi all, i have a 1990 hilux 2.8D.. and while out bush bashing saturday night the battery light came on the dash. i waited til i got home, turned car off then back on, light still on. this morning the car had trouble starting.. but it started, light still on. i dont think the battery is dying.. mite put the dual battery from the patrol in the lux when that car gets home.Further, the all-wheel drive system can now be manually tweaked with the drive select switch. If you nail the throttle from a standing start, it's able to do a 'power take-off', sending torque to ...
