View and Download Acer N17H1 quick manual online. N17H1 Laptop pdf manual download. Also for: Switch 3, Sw312-31. In this guide I'll explain how to take apart an Acer Aspire 5100 laptop. I'll show how to remove major internal components. In the next article I'll explain how to remove the screen. First ...I have opened the laptop according to your instruction and clean the Fan and processor cooling assembly. then i reassembled it. Before turning On i plugged in the AC power and the battery charging light is turn On but as soon as i press the power button the battery light is turn off and there is no display on the screen not the power light is ON.
