Acute mental health nursing: From acute concerns to the capable practitioner London: SAGE Publications Ltd
doi: 10.4135/9781446221211. Harrison, Marc, David Howard and Damian Mitchell, eds. Acute Mental Health Nursing: From Acute Concerns to the Capable Practitioner. London: SAGE Publications Ltd, 2004. doi: 10.4135/9781446221211. An introduction to acute mental health care: from acute concerns to the capable practitioner David Howard This book was written in response to the demands being made on the reshaped mental health services for acute adult in-patient care. Drawing on the latest developments in policy and planning, Acute Mental Health Nursing addresses issues which are specific to working in inpatient settings. It has been designed for use in training and is also an excellent source of reference for use in practice. ... From Acute Concerns to the Capable Practitioner Marc Harrison, David Howard ... Foreword / Kevin Gournay -- An introduction to acute mental health care : from acute concerns to the capable practitioner / David Howard -- 1. Acute psychiatric in-patient assessment / Joe Curran and Paul Rogers -- 2. Measuring health and social functioning using HoNOS / Mick James and Damian Mitchell -- 3.
