

# Download Analyzing Emergency Department Medical Malpractice Cases

Whether analyzing foot or ankle podiatry malpractice cases, personal injury claims, workers compensation accidents, or a criminal's footprint, shoes or gait (on surveillance video), Dr. Nirenberg is a podiatry expert witness who provides the public, injured persons, and defense and plaintiff parties with strong, intelligent arguments. The patient sued the physician for medical malpractice, alleging that he did not adequately clean and debride the wound and that he did not inform the patient that his suturing was only temporary. Factors to Consider for Fire Departments Thinking about Providing Ambulance Service Published 08.18.2015 By the National Volunteer Fire Council David A. Porter chairs the Workers' Compensation Department at Bennett, Bricklin & Saltzburg LLC. Previously, he was a partner at a boutique law firm in Philadelphia where, since 2007, he concentrated his practice in the area of Workers' Compensation litigation in both New Jersey and Pennsylvania.
