The California Guided Pathways Project will help 20 California community colleges implement an integrated, institution-wide approach to student success by creating structured educational experiences that support each student from point of entry to attainment of high-quality postsecondary credentials and careers. Pre-visit planning involves scheduling patients for future appointments at the conclusion of each visit, arranging for pre-visit lab testing, gathering the necessary information for upcoming visits, and spending a few minutes to huddle and handoff patients. Strategic planning is essential for organizational success. In this lesson, you'll learn about strategic planning, including the steps in the process. The EMDR Therapy Basic Training (Weekend 1 and 2) is designed for licensed mental health practitioners who treat adults and children in a clinical setting (See Qualifications Section).
