Futurama is an American animated science fiction sitcom created by Matt Groening for the Fox Broadcasting Company. The series follows the adventures of slacker Philip J. Fry, who is cryogenically preserved for 1000 years and is revived in the 31st century. Fry finds work at an interplanetary delivery company. The series was envisioned by Groening in the mid-1990s while working on The Simpsons ... This work is licensed under a Creative Commons Attribution-NonCommercial 2.5 License. "I think the world of Web development is becoming easier and easier but it's also making it harder for guys like me to find work because so many people want to use out-of-the-box responsive layout sites that are easy to implement and launch. I personally would much rather make a site from scratch than use a template. Another perspective on advertising is advanced by renowned media critic, Ben Bagdikian. Bagdikian argues that program content is changed and shaped based on the demographics of audiences so that it becomes less important than the type of person being targeted by advertising during programs.
