Blackest Night is a 2009–2010 American comic book crossover storyline published by DC Comics, consisting of an eponymous, central miniseries written by Geoff Johns and penciled by Ivan Reis, and a number of tie-in books. "Blackest Night" involves Nekron, a personified force of death who reanimates deceased superheroes and seeks to eliminate all life and emotion from the universe. While the Black Lantern Corps are powered by the black emptiness of space which represents death and therefore does not belong to the Emotional Spectrum, Black Hand is revealed to be the physical embodiment for these corps, in the same manner that Ion is the embodiment of willpower for the Green Lantern Corps. During the climax of Blackest Night #8, Boston Brand tells the Corps' leaders that ...
