

Download Broad Band The Untold Story Of The Women Who Made The Internet

The history of technology you probably know is one of men and machines, garages and riches, alpha nerds and programmers. But female visionaries have always been at the vanguard of technology and innovation—they've just been erased from the story. Until now.

Pam and Tommy: The Untold Story of the World's Most Infamous Sex Tape Porn, guns, the mob and one very disgruntled electrician: how the superstar couple's most intimate moments went global

Gregory A. Freeman is an award-winning writer and a leader in the field of narrative nonfiction.
