The Williams F1 Collection. Located at the home of the AT&T Williams team in Grove, Oxfordshire amid 40 acres of landscaped grounds. Originally the team's base for its Le Mans project, the building was converted in 2002 and today stands as the RBS Williams F1 Conference Centre. Celebrating the industrial design and problem solving methodology of Colin Chapman. Creating a museum that interprets this work and uses our archives to advance education in engineering, training, work experience, equal opportunities and critical analysis. Marc Kushner Why the buildings of the future will be shaped by ... you "Architecture is not about math or zoning — it's about visceral emotions," says Marc Kushner. In a sweeping — often funny — talk, he zooms through the past thirty years of architecture to show how the public, once disconnected, have become an essential part of the design process. 16-year-old Sebastian Prendergast has spent most of his life with his Nana in their geodesic dome home tourist attraction where she raises him on the futurist teachings of her former mentor
