

# **Download Caring For America Home Health Workers In The Shadow Of The Welfare State**

In this sweeping narrative history from the Great Depression of the 1930s to the Great Recession of today, Caring for America rethinks both the history of the American welfare state from the perspective of care work and chronicles how home care workers eventually became one of the most vibrant forces in the American labor movement. Eileen Boris and Jennifer Klein demonstrate the ways in which law and social policy made home care a low-waged job that was stigmatized as welfare and relegated ...Caring for America Home Health Workers in the Shadow of the Welfare State Eileen Boris and Jennifer Klein. First history of one of the most important labor movements in modern times, the home care workersIn this sweeping narrative history from the Great Depression of the 1930s to the Great Recession of today, Caring for America rethinks both the history of the American welfare state from the perspective of care work and chronicles how home care workers eventually became one of the most vibrantforces in the American labor movement.In this sweeping narrative history from the Great Depression of the 1930s to the Great Recession of today, Caring for Americarethinks both the history of the American welfare state from the perspective of care work and chronicles how home care workers eventually became one of the most vibrant forces in the American labor movement.
