

Download Caring For The Older Adult With Cancer In The Ambulatory Setting

MultiCare's Infusion Centers provide a relaxed, welcoming atmosphere for patients receiving treatment. Our staff includes skilled nurses and pharmacists with many years of experience in the field. Continuing nursing education (CNE) contact hours are available for the articles below. Click on the article title to visit the article. The link to the CNE activity is located below each article's abstract (remember: you must be logged in to view the link). BC Cancer, a provincial government-funded treatment and research organization, is an agency of the Provincial Health Services Authority (PHSA). PHSA is responsible for governing, managing and funding BC Cancer, along with 10 other provincially mandated health care agencies. PHSA – one of six health authorities in British Columbia – is mandated to ensure the planning, coordination, Stepping Stones to Caring for Our Children Compliance/Comparison Checklist - PDF (Updated January 2019). Suggestions for Use of the Compliance/Comparison Checklist: By licensing staff who want to compare Stepping Stones standards to the subject areas covered in their state regulations and determine where there are gaps and where regulations should be added.
