

# Download Cna Instructors Manual

The Certified Nurse Aide (CNA) training program is a 90 clock hour program designed to be flexible and comprehensive at the same time. Enrollment is open to individuals ages 16 (with parental approval) and above looking to pursue a career as health care professionals. The Red Cross is the leader in lifeguard training, and water safety instruction. We offer manuals, books, and DVDs to enhance your education. If an individual that has previously been deemed competent as a CNA (Illinois approved nurse assistant training program; grandfathered in; foreign LPN/RN; military trained; nursing student; or out of state CNA), has a period of 24 consecutive months that the individual has not provided nursing or nursing-related services for pay, the approved certification is lost. Welcome! 2019 CNA Instructors Conference Survey – If you are an Instructor or Program Coordinator please click [here](#) to participate Thank you for visiting [www.nurseaidetesting.com](http://www.nurseaidetesting.com). This information is provided in partnership with the Illinois Department of Public Health (IDPH) and Southern Illinois University Carbondale (SIUC), Illinois Nurse Assistant Competency Exam (INACE) project.
