Today I want to turn our attention to how to buy a digital camera. I'm not going to talk you through all the different features on a digital camera or tell you which models are best (something that is really quite individual [...]) bit - A binary digit - the smallest piece of digital data possible. bit rate - The number of bits (data sent) measured over a specified time - also called the data rate. nits - Candela per square metre - a (video / SI) measure of brightness. more NERO 7 - I've been told that NERO 7 will NOT allow to create backups of your own, purchased music CDs that employ the copy protection flag.
