EOC 6500 instructions manual.Repair manual for Electrolux EPIC 6500 SR I don't have a manual for these but the trickiest thing about these units is taking them apart. If you have an Aerus/Electrolux dealer near you, it's not a bad investment to have them install the motor for you.As hooton8 stated i have the electrolux epic 6500 sr. as well and when i attempt to vacuum i turn it on and it turns off after about 3 seconds. new bag nothing stuck in tube. I turned dial to the right all the way.
