Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. More than 4,500 ebooks and many book collections, including archive collections of critical historical material, as well as publisher and topical collections. Appropriate technology resources. Lots of these resources are old -- some more than a century old. This is NOT because appropriate technology is nostalgic, it's because old references often contain valuable and useful information that simply is not available now. INTRODUCTION It's perhaps fitting that I write this introduction in jail- that graduate school of survival. Here you learn how to use toothpaste as glue, fashion a shiv out of a spoon and build intricate communication networks.
