Antique Ferguson Tractor: Ferguson TO-20 [Ferguson TO-20 Parts] [Return to the Shed] This picture is a 1948 model. The first TO-20 rolled off the production line in 1948 with Serial Number 1. The Ferguson TE20 is an agricultural tractor designed by Harry Ferguson. By far his most successful design, it was manufactured from 1946 until 1956, and was commonly known as the Little Grey Fergie. It marked a major advance in tractor design, distinguished by light weight, small size, manoeuvrability and versatility. FERGUSON TEF TRACTOR Agriline Diesel has a limited variety of spare parts for the TEF, a tractor model becoming scarcer over time.
