

Download General Studies Manual 2014

The National Flood Insurance Program (NFIP) Flood Insurance Manual is used primarily by insurers and agents selling and servicing Federal flood insurance. Three studies compared stabilization exercise to manual therapy (Ferreira et al., 2007, Goldby et al., 2006, Rasmussen-Barr et al., 2003). A non-significant difference in disability of 0.17 (95% CI: -0.38 to 0.03, N = 358) was found for participants in the stabilization exercises group compared with manual therapy (Ferreira et al., 2007, Goldby et al., 2006, Rasmussen-Barr et al., 2003). Please click on the Country Name below to get the Info. on a Member State. Effective March 9, 2018, California Department of Transportation (Caltrans) has made edits, referred to as Revision 3 (Rev 3), to the 2014 California Manual on Uniform Traffic Control Devices (CA MUTCD), to provide uniform standards and specifications for all official traffic control devices in California.
