

Download Gollywhopper Games Lesson Plans

The Gollywhopper Games by Jody Feldman. A 29-page unit for The Gollywhopper Games by Jody Feldman is one the best units Kids' Wings has ever produced. It enables students to actually step into the games and be an active participant rather than just reading about all the fun the characters are having. The Gollywhopper Games by Jody Feldman and Victoria Jamieson To help put the right book in each reader's hands, consider the following comprehensive text complexity analyses within your instructional plans. As for the plot, the shortest sound bite I've come up with is this: The Gollywhopper Games is about a once-in-a-lifetime competition and the kid who wants to win it for more than the prize at the end. GollyWhopper Games Chap 1-6. A set of games created by the Golly Toy & Game Company in which children participated in the ultimate competition.
