A First-Time Manager's Guide To Giving Effective Feedback. Instead of viewing feedback as a negative conversation, look at it this way: Feedback can be both positive and negative, and it gives people an opportunity to grow. With these five tips, you'll be dishing out effective feedback like a pro in no time. The most effective feedback is given right at or near the time the issue requiring feedback is raised. Feedback is honest and conversational. A supportive leader doesn't talk down to others, but he or she is real with them.

20 Ways To Provide Effective Feedback For Learning

1. Feedback should be educative in nature.
2. Feedback should be given in a timely manner.
3. Be sensitive to the individual needs of the student.
4. Ask the 4 questions.
5. Feedback should reference a skill or specific knowledge.
6. Give ...

The outcome has been timely, consistent, and effective feedback resulting in an increase in trust and respect on the receiving end and less apprehension on the giving end. Most people do not seek out conflict. It's easiest to follow the path of least resistance and work around a problem instead of confronting it, but this is a slippery slope.
