

Download Home Health Aide Guidelines Care Instructor Manual

Welcome to the home page for the Health Facilities Division of the Iowa Department of Inspections and Appeals. The Division is the designated state survey and certification agency responsible for inspecting and licensing/certifying various health care entities, as well as health care providers and suppliers operating in the State of Iowa. Entities subject to the Department's oversight and ...New 6th Edition – In Stock & Available Now! The new! 2018 6th edition of the best-selling widely-used Handbook of Home Health Standards: Quality, Documentation and Reimbursement is now available!. New sections in the Care Guidelines include “Comfort Considerations”, “Queries for Quality” and “Caregiver Considerations”. About the Alaska CHAP Program. The Community Health Aide Program (CHAP) was developed in the 1960s in response to a number of health concerns, including: the tuberculosis epidemic, high infant mortality and high rates of injury in rural Alaska. Works as part of the Patient Care/Health Services Division. Serves in a PHN float pool, provides nursing services in a public health clinic, field site (e.g. client home visits), school, adult day care center and the community to cover staffing and/or operational needs.
