View online or download Honda Forza 250 Service Manual Good comparison video, especially the side-by-side riding, and I agree with their conclusions: the Xmax is the sportier offering with more power, lower weight and more aggressive styling, while the Forza is more refined and relaxed. They mentioned the better finishes on the Honda, but only briefly ... We highly recommend having your product serviced at an authorized Honda dealer. If you decide to maintain it yourself or have it maintained by an independent repair facility we recommend using Genuine Honda Parts and keeping all your receipts as we may ask for them should a warranty concern arise.
