

Download How To Heal Leaky Aura Syndrome A Guide For Empaths

And is another reason many Empaths become excessively influenced or drained by certain people. When one has a leaky aura, energies of those in close proximity are pulled in with a magnetic-type force. When healing leaky aura syndrome, we have to uncover where the initial disturbance lies. Leaky Aura Syndrome is an issue blighting the lives of many Empaths without their knowledge. It is a condition where the auric field recedes and becomes overly porous... As an Empath, do you remember a time when you could go to the mall without feeling drained, do you have memories of spending time ...Leaky Aura Syndrome is an issue blighting the lives of many Empaths without their knowledge. It is a condition where the auric field develops tears or becomes overly porous... Low moods, depleted energy, brain fog, overwhelm, unusually heightened senses, feeling constantly dissatisfied, run down, or out of sorts, no matter what you do for your health, could be a sign your energy field is damaged. Leaky Aura Syndrome blights the lives of many Empaths. A condition where the aura develops tears or becomes overly porous... Low moods, depleted energy, brain fog, overwhelm, unusually heightened senses, feeling constantly dissatisfied or run down could be a sign your energy field is damaged. This book explains leaky aura syndrome, details the causes, and gives steps to reverse the condition.
