Learning Hebrew While Studying the Old Testament. A student textbook in PDF format. There will be much reading of the Bible in English as part of this course, so as to make sure the primary end of the course is not lost as a result of a merely secondary goal.On the back of each flashcard, write the name of the letter in English. Extend this to the game. Instead of having matching cards, create one card with the Hebrew letter and one card with the English name of the letter. Students turn over cards and match them up. If they are a correct match, the student keeps the card.
