IDPH protects the public from improperly prepared and used pesticides and from groundwater contamination around commercial pesticide storage sites and promotes the concept of integrated pest management in schools. Illinois has approximately 750 licensed structural pest control business locations as well as 60 registered non-commercial (not-for-hire, in-house pest control) locations that use ...Updating the database of the Illinois Compiled Statutes (ILCS) is an ongoing process. Recent laws may not yet be included in the ILCS database, but they are found on this site as Public Acts soon after they become law. For information concerning the relationship between statutes and Public Acts, refer to the Guide.
