

Download In Small Doses A Memoir About Accepting And Living With Bipolar Disorder

In Small Doses provides a helpful real-life view of the negative impact that bipolar disorder can have on a person's career and relationships. Whereas other memoirs tend to use excessive metaphors and analogies to paint colorful descriptions of mania, hypomania, and depression, Mr. Pollard adopts a more succinct, direct approach. In Small Doses: A Memoir About Accepting and Living with Bipolar Disorder. The decision to present the subject in an anecdotal fashion reflects the author's attempt to keep the reader both informed and misinformed. In this way, the reader's understanding of bipolar disorder should mimic that of the author's."
