Integration QRG (Parts) Seamless integration of our vehicles with Truck Equipment Manufacturers is essential  
to the success of every business we support. With our TEM/Body Builder resources, we provide direct access to  
the essential information our partners need to design and build the most complete solutions for every  
customer. Sales Information: Doc Type: Price List Date: This Body Builder's Manual can be very useful when  
specifying a vehicle, particularly when the body builder is involved in the vehicle definition and  
ordering process. Early in the process, professional body builders can often contribute valuable information that  
reduces the ultimate cost of the body installation.
