It is believed that regardless of age, nationality or religious belief, we are all susceptible to the laws which govern the Universe, including the Law of Attraction.The term Law of Attraction first originated in 1906 when author and publisher William Walker Atkinson released his new thought movement book: "Thought Vibration or the Law of Attraction in the Thought World" (Chicago, 1906). He also was brave enough to use the term "vibration" (scary enough word for any other author to use or understand back then).
