The Mini is a small economy car produced by the English-based British Motor Corporation (BMC) and its successors from 1959 until 2000. The original is considered an icon of 1960s British popular culture. Its space-saving transverse engine, front-wheel drive layout – allowing 80% of the area of the car's floorpan to be used for passengers and luggage – influenced a generation of car makers. The Mini Countryman is a subcompact crossover SUV, the first vehicle of this type to be launched by Mini. It was launched in 2010 and received a facelift in 2014. The second generation vehicle came out in 2017. Save \$5,406 on a 2010 MINI Cooper John Cooper Works near you. Search over 10,700 listings to find the best local deals.
