Hi all, There was a post some time ago with a link to download the McGraw hill study guide for the TEAS. It was downloaded to my old computer (which is no longer working) and I was wondering if anyone here has that link?which one worked for you? the mcgraw hill study guide, or the ATI test manual? i have both, and plan to study from both--but just curious as to which was more helpful for the TEAS V? any input would be greatly appreciated!
