Click here to download all 30 answer worksheets. Introduction. Maybe we're biased, but we think our multiplication worksheets are an ideal way to improve children's knowledge of their times tables – in a fun, fast way!. Each worksheet contains 30 questions. This file is a collection of activities and centers/centres to assist in developing the multiplication concept and learning the 2s, 5s and 10s times table facts. 8 activities are included: 1. Frog-tastic Groups - students make equal groups using frogs and lily pads. 2. Making Equal Groups (in ...If you've ever taught multiplication, you know how hard it can be to help students build fluency with their facts. All of our students process the concept of multiplication differently, and therefore will build their fluency and understanding at different rates.
