How to repair an engine surge in a Nissan Altima 2.5S engine? - Answered by a verified Nissan MechanicWhat do Nissan's dashboard warning lights mean? By Product Expert | Posted in FAQs on Thursday, March 23rd, 2017 at 2:46 PM. Have one of your dashboard warning lights turn on in your Nissan can be frustrating, but if you aren't sure what the dashboard light means or what it's trying to tell you, it can be downright scary.i've owned max for almost 5 years now, when i got it back in 09, it had close to 89,000 miles. now, close to the end of 2013, it has 138,000 miles. while i love this car, i am having some issues ...Just because your car is old doesn't mean it's outdated. It Still Runs is your ultimate auto resource, whether you rotate your tires or change your oil.
