Medical-Surgical Nursing Exam Prep: 250+ Questions for the CMSRN Test Medical Surgical Nurse Practice Test. Registered nurses working in the medical-surgical specialty area will eventually want to take the ANCC Medical-Surgical Nursing board certification examination. Receiving this credential recognizes the registered nurse as having the knowledge and skills required to provide the highest quality of care to ... If you are thinking about taking the Certified Medical-Surgical Registered Nurse (CMSRN) exam and are curious about the kinds of questions that will appear, this resource will help you prepare with several example questions and rationales. These sample questions are not a requirement to sit for the actual CCMSRN certification examination and do not imply successful performance. Mimi Haskins, DNP, RN, CNS, CMSRN, immediate past president of the Medical-Surgical Nursing Certification Board and a corporate nurse educator at Catholic Health in Buffalo, N.Y., said becoming a Certified Medical-Surgical Registered Nurse through the MSNCB indicates nurses have acquired additional skills, knowledge and expertise in the med-surg field.
