

Download Oregon Scientific Model Rm826 Manual

I received how a present an Oregon Scientific Model RM826 many years ago. Neverthele ss, now it doesn't word and I don't now why. When I change the new betterys the Clock is working only in the inception but I cann't modify the hours, alarm or date. My question is if it is possible to have a solution or where must I am going for his control.Oregon Scientific RM826 User Manual . Radio controlled travel clock with higlo backlight.
