Cordless Finish Nailer. BAMMER CDA250 Nail Gun pdf manual download. It does come with 4 bits; two for small dovetails (43777PC), two for the larger ones (43776PC). The large bits are carbide tipped, but the small bits are high-speed steel, and from my experience, burn quite easily. Finding replacement bits made by anyone other than Porter Cable was an exercise in ...Already have the Porter Cable 895 Combo Pack (fixed base and plunge base). Using fixed base on router table and I am adding this to the mix so I can have a free hand fixed base and plunge leaving already owned fixed base in router table.
