Ballet (French:) is a type of performance dance that originated during the Italian Renaissance in the fifteenth century and later developed into a concert dance form in France and Russia. It has since become a widespread, highly technical form of dance with its own vocabulary based on French terminology. It has been globally influential and has defined the foundational techniques used in many ... Deep-throating is a sexual act in which a person takes a partner's entire erect penis deep into the mouth and throat. The technique and term were popularized by the 1972 pornographic film Deep Throat. The practice is a type of fellatio where the receptive partner (the one whose mouth receives the penis) is in control, while deep throat penetration by an actively thrusting partner is called ...
