

# Download Stihl Chainsaw 034 Av Manual

It stands for Anti-Vibration. I have two Stihl saws made in the 80's (an 015AV and an 034AVSuper). The 034 replaced a really old 041 without the AV,.View and Download Stihl 034 Series user manual online. 034 Series Chainsaw pdf manual download. Also for: 036 series, 036 qs series.Welcome to site, 034/036 series is a solid saw from stihl I have several set up with 18" - 20" bar max they are good firewood saws. Oiler is adjustable turn the saw over and look for a set -in screw located near the chain side.Stihl 041 AV is probably one of the best chainsaws ever made. It has displacement of 61 cm<sup>3</sup>, cylinder bore 44 mm, piston stroke 40 mm, 4,0 PS@7500 rpm.
