

Download Student Interest Inventory For Kindergarten

I have offered my readers an interest inventory before, but it was kindergarten specific and in color. I get that many of us are 'color printer challenged.' So, I decided to go ahead and make a general, non-grade specific, one in black and white. This is a fun, interactive interest inventory for kindergarten or first grade students! This is intended to be used on the first day of school in small groups or whole group with guidance to get to know your students, their interests, and abilities. Find and save ideas about Student interest inventory on Pinterest. See more ideas about Student interest survey, Student survey and Student inventory. Student Survey ~ Interest Inventory ~ I love that this is a way for me to learn about the kids and for them to get writing in on the first day ; High academic professionals of Essay Bureau will help you to doing your Essey Writing.
