We are proud to announce the author team who will continue the best-selling James Stewart Calculus franchise. Saleem Watson, who received his doctorate degree under Stewart's instruction, and Daniel Clegg, a former colleague of Stewart's, will author the revised series, which has been used by more than 8 million students over the last fifteen years. Matrix Editions is a small publishing house founded in 2001, committed to "serious mathematics, written with the reader in mind." Our goal is to publish rigorous books that go beyond correct statements to show why statements are correct and why they are interesting.
