Recruitment refers to the overall process of attracting, shortlisting, selecting and appointing suitable candidates for jobs (either permanent or temporary) within an organization. Recruitment can also refer to processes involved in choosing individuals for unpaid roles. Managers, human resource generalists and recruitment specialists may be tasked with carrying out recruitment, but in some ...Talemetry is the winner of two coveted Gold Awards from the 2018 Brandon Hall Group Excellence in Technology Awards for Best Advance in Recruitment Marketing Technology and Best Advance in Mobile Talent Acquisition Technology. Order now. Marchington and Wilkinson (2008, 223) explain the importance of recruitment, "Staffing and resourcing, and in particular recruitment and selection, is a critical feature of HRM in all organisations, irrespective of their size, structure or sector." Now, I know what you're thinking; here comes Social Talent with yet another blog post about another social network I should have started using yesterday. But hear me out on this one first – I promise it'll be worth it! Back in late 2011, a little known mobile app that went by the name of Instagram, had a healthy but still relatively small legion of about 10 million users.
