Exam Description: The History Of the United States II CLEP picks up where the History of the United States I CLEP left off. Actually, it overlaps just a little bit as you may have noticed by the dates. The military history of the United States spans a period of over two centuries. During those years, the United States evolved from a new nation fighting Great Britain for independence (1775–1783), through the monumental American Civil War (1861–1865) and, after collaborating in triumph during World War II (1941–1945), to the world's sole remaining superpower from the late 20th century to ...Colonial era In general. The history of Roman Catholicism in the United States – prior to 1776 – often focuses on the 13 English-speaking colonies along the Atlantic seaboard, as it was they who declared independence from Great Britain in 1776, to form the United States of America. A Note and a disclaimer. The Note: This great book should really be read by everyone. It is difficult to describe why it so great because it both teaches and inspires. You really just have to read it.
