Whitewash: The Story of a Weed Killer, Cancer and the Corruption of Science, by Carey Gillam (Island Press) has been named an Outstanding Book of the Year by the Independent Book Publisher Awards. “ Hard-hitting, eye-opening narrative...A forceful argument for an agricultural regulatory...Whitewash is more than an exposé about the hazards of one chemical or even the influence of one company. It's a story of power, politics, and the deadly consequences of putting corporate interests ahead of public safety. Whitewash explores the legal claims of those who believe Roundup caused cancer, and exposes how Monsanto kept consumers in the dark and regulators in check.
