

Download Why 40 80 Of Chronic Pain Patients Are Misdiagnosed And How To Correct That

In an effort to curb opioid drug abuse and addiction, the Drug Enforcement Administration (DEA) has issued new rules that limit the accessibility of hydrocodone, putting chronic pain sufferers who rely on the drug in an impossible situation. The DEA's new restrictions come after the decision to relabel hydrocodone as a Schedule II drug, making it difficult for users with chronic pain to ...Doc's often create addicts because of the reflex prescribing of narcotic pain medications before other methods are tried. The interesting point is that narcotic pain meds are not so good for chronic pain, better used in an acute setting, and yet so many people are using them for long-term pain management. Share your stories of how chronic opioid use changed your life in a positive or negative way. PROMPT is doing this for patients specifically because of the July 25 2012, Physicians for Responsible Opioid Prescribing (PROP) petition to the U.S. Food & Drug Administration (FDA) which requests ...The care of patients with varicose veins and associated chronic venous diseases: Clinical practice guidelines of the Society for Vascular Surgery and the American Venous Forum
