

# Download Workplace Violence Causes Effects And Prevention

Roles and Responsibilities. The goal of the DOL Workplace Violence Program is to support a work environment in which violent or potentially violent situations are effectively addressed with a focus on prevention by increasing employee understanding of the nature of workplace violence, how to respond to it, and how to prevent it. In this lesson, we will learn the definition and history of school violence. We will also discuss the causes and effects of school violence. There will be a quiz at the end of the lesson. 2015-08-26 Today's workplace faces unprecedented challenges. Conflict and violence, arising from the accelerating pace of global economic change, the diversification of the workforce, the effects of business downturns and downsizing, and increasing stress on families, threaten employee and organizational well-being.<sup>4</sup> Workplace violence is costly—and preventable. Workplace violence comes at a high cost. If an employee requires medical treatment or misses work because of a
