Over the phone, our trained technicians can help you set up, configure, connect, and troubleshoot so you can start enjoying your new purchase. Rated 4 out of 5 by MarkeV from Easy to set up, great app Bought this to replace my 19 year old Yamaha 5.1 home cinema receiver and Acoustic Energy speaker set up as I've just moved house and didn't want to run cables everywhere. I use it mainly for music - CDs and TV to play youtube music videos. The sound is very good although not as good as my old set up.
